AESTHETICIANS

Our Aestheticians, Sarah and Danielle, work alongside our doctors to provide the best aesthetic skin care services available. We combine dermatologic medical science with aesthetician treatments to address complexion problems for the toughest skin types. We've also developed maintenance services to maximize your skin's health and appearance, every day. all year.

Our patients and clients are in for a real treat in our safe and professional setting. Sarah and Danielle add their spa experience and passion for patient-client care to our medical office. Prior to joining our practice, both Danielle and Sarah have served as Lead Aestheticians at Coldwater Creek Spa.

Our goal is to develop aesthetician services to support our patients' skin care needs as well as making them available to non-patients who don't require the care of our doctors.

We invite you to schedule an appointment and refer your family and friends for the finest aesthetician services in our safe, hygienic and professional setting

Acne Facial

60 minutes/ 80 minutes with microdermabrasion

A highly effective, professional acne treatment for acne prone skin. Exfoliation, manual extractions and deep pore cleansing remove pore clogging, dirt and oil to treat blackheads. Our deep cleansing masque reaches deep into pores to treat acne and help prevent new breakouts. Calming antioxidants and sun screen protect your freshly exfoliated skin from sun and environmental stressors. Products are customized for your skin type. Includes a neck, shoulder and hand massage to relieve stress that may aggravate your acne. Recommended at 2 to 4 week intervals until your acne is controlled and then as needed to maintain results. **Price 75**

Rejuvenating Anti-Aging Facial

60 minutes/ 80 minutes w. microdermabrasion or chemical peel

This unique facial is customized for your skin type and anti-aging needs. Skin texture and color is improved and wrinkles are softened with glycolic acid exfoliation followed by skin toning, extractions (optional) and a deep cleansing mask. Specially formulated vitamins, botanicals and antioxidants are applied to repair and sooth stressed skin. Gentle facial massage improves circulation and lymphatic drainage. Includes neck, shoulder and hand massage. Look and feel better with this relaxing facial. Good for everyone. **Price 90**

Deep Cleansing Facial

60 minutes/ 80 minutes w. microdermabrasion or peel

Designed to optimize and extend the results between peels and laser or light treatments and to keep your skin clear and attractive everyday. This facial exfoliates and removes built up, dead cells and debris on the skins surface and deep within pores, leaving skin bright, fresh and hydrated. Customized for your skin type. Includes a relaxing facial, neck, shoulder and hand massage. **Price 90**

Calming Facial

60 minutes/ 80 minutes w. microdermabrasion

Calm sensitive skin irritated from rosacea, rashes, sun damage or procedures. Inflammation is soothed with antioxidants and a healing mask. Blood and lymphatic drainage is improved with gentle facial massage. Skin can be gingerly exfoliated, leaving your inflamed skin luminous and at peace. Restores your skin's natural health and balance. Includes facial, neck, shoulder and hand massage. Good for anyone with sensitive skin. **Price 90**

Mini Custom Facial

Microdermabrasion

30 minutes

Professional microdermabrasion brings the life back into your skin. This non-invasive treatment removes dull texture leaving skin vibrant. Repeated treatments will soften wrinkles, even skin texture and give you an instant exfoliated glow. Exfoliation is an important element of maximizing your skin's healthy appearance on an everyday basis. Microdermabrasion can be done alone or added to any of our facials. Best done at 1 to 2 week intervals until results are achieved (typically in 6 sessions). Maintenance treatments are recommended every 6 to 8 weeks and can be alternated with light facial peels for the ultimate sustained healthy glow all day, every day, all year!

Series of 6 treatments 450

Chemical Peels

30 minutes/ 20 minutes added to a treatment

Best done in a series every 2 weeks until results are achieved and then every 6 to 8 weeks. They can be alternated with microdermabrasion or laser/light treatments.

Price 80

Glycolic Acid/Alpha Hydroxy Acid

Peels are done to help achieve your acne and anti-aging treatment goals. They exfoliate to brighten skin, soften wrinkles and dissolve blackheads. This level of glycolic acid can stimulate collagen formation when peels are done regularly.

Salicylic Acid/ Beta Hydroxy Acid

Peels are done in two strengths to aggressively treat acne by exfoliating the skin and cleaning debris and blackheads deep in the pores.
